### Profile

---

As a Full Stack developer with a strong background in Java, HTML, CSS, Javascript, SQL, Git, and GitHub, I am confident in my ability to deliver high-quality solutions that drive business growth and success. With experience in web development best practices and agile methodologies, I am skilled in creating intuitive and engaging user experiences through the use of cutting-edge technologies. I am always looking for new challenges and opportunities to expand my skills and expertise, and I am eager to join a team that values innovation and collaboration.

### Education

---

**Bachelor of Technology in Computer Science Engineering(CSE),** 2021 – present  
*SRM Institute of Science & Technology* Chennai, India

As a CSE student, I am actively engaged in building a strong foundation in the field of technology and computer science. The program has provided me with comprehensive knowledge and practical skills required to excel in the ever-evolving world of computing.
